**deadline 1st March
english speaking is
preferable**

GAME DESIGN TRAINING

- We learn the basics of game design
- We discover urban games
- Learning-by-doing with expert tutoring

REAL-LIFE APPLICATION

- We develop a game for placemaking
- We create the game in Palermo
- We contribute to the sustainable development of the city

CONTRIBUTION TO RESEARCH

- We collaborate with international experts
- We develop innovative models for placemaking
- We present the results in a European review
